We ask that you are able to allow the crew to have access to hand soap and paper towel.

We also ask that you wipe down all commonly used surface (door handles/counters/railings) with a disinfectant.

We ask you also try to keep some distance between yourself and the crew members, when possible.

We would also like to refrain from handshakes at this point, and we would also like for you to carry a pen with you for the signing of the paper work.
